Amended Guidelines for the Small Firm Assistance Program

Program

The Small Firm Assistance Program (the Program) has been established by the Lower Manhattan Development Corporation (LMDC), in cooperation with the New York City Department of Small Business Services (SBS) and the New York City Economic Development Corporation (EDC), to promote economic development by assisting small firms that have suffered business disruption as a result of publicly-funded construction projects. The program seeks to mitigate the adverse effects of reduced traffic to small retail firms affected by the temporary closure of streets or sidewalks and to address the potential for blight. Grant awards will contribute to a firm’s working capital.

Program Funding

Funding for the Program is being made available from an appropriation to LMDC on behalf of the State of New York State through the United States Department of Housing and Urban Development (HUD).

I. General Grant Information

A. Eligible Firms

Assistance will be provided to any “Eligible Firm” that is still in business at the “Eligible Premises” at the time of application and grant payment, and complies with the terms of these Guidelines, and meets the following criteria (see Definitions of terms in Section II below):

(i) is a for-profit Retail Business; and is
(ii) located in the Eligible Area; and is
(iii) located on an Eligible Street; and is
(iv) an Eligible Premises; and
(v) submits an application that shows a Demonstrated Impact on net income, revenues, or operating expenses, net of any proceeds from business interruption insurance or other Federal assistance, during the period of the street or sidewalk closure; and
(vi) submits a Grant Request Form (included with the application); and is
(vii) current on all taxes and other municipal charges.

B. Grant Categories

There are two grant categories: (i) Basic Grant, and (ii) Supplemental Grant.

(i) Basic Grant

A Basic Grant is a grant of up to $25,000 that may be sought by any Eligible Firm located on an Eligible Closed Street and to Eligible Firms located on an Eligible Affected Street.

(ii) Supplemental Grant

A Supplemental Grant is a grant of up to $10,000 that may be sought by any Eligible Firm located on an Eligible Closed Street that has been closed for at least thirteen thirty-day periods and that has already applied for and received the maximum Basic Grant. Supplemental Grants will only cover losses incurred during the thirteenth thirty-day period of street closure and beyond.
C. **Grant Amounts**

Subject to the requirements set forth in these Guidelines, Eligible Firms may be awarded Basic and/or Supplemental Grants computed as follows:

(i) $5.00 per square foot of owned, leased or rented space at Eligible Premises; **OR**

(ii) the amount of realized economic loss as shown in the applicant’s Demonstrated Impact statement, whichever is less.

II. **Definitions**

A. **Eligibility Period**

The Eligibility Period for the Program will begin on July 1, 2007 and includes construction projects underway on this date and projects commencing thereafter until all funds are disbursed or until the Program concludes on December 31, 2017. It is highly recommended that you apply as soon as you are eligible because funds are limited.

B. **Retail Business**

A Retail Business is defined as a business that sells or provides a good or retail service. To be eligible, neither the owner of the business nor the business itself may employ more than 50 people. For the avoidance of doubt, an applicant will not be eligible if it employs more than 50 people at its location on the Eligible Street. Similarly, an applicant will not be eligible if it employs less than 50 people at its location on the Eligible Street, but the applicant has more than 50 employees in the aggregate.

C. **Eligible Area**

The Eligible Area is that area within the Borough of Manhattan bounded on the north by Canal Street (including both sides of Canal Street), from the Hudson River to Rutgers Street (including both sides of Rutgers Street), then southeast along Rutgers Street and continuing along Rutgers Slip (including both sides of Rutgers Slip), to the East River.

D. **Eligible Street**

There are two Eligible Street categories: (i) Eligible Closed Street and (ii) Eligible Affected Street.

(i) **Eligible Closed Street**

An Eligible Closed Street shall mean the one-block segment of any street within which all or a portion of such street or sidewalk has been closed or partially closed for at least fifteen days within any thirty consecutive day period due to a publicly-funded construction project.

(ii) **Eligible Affected Street**

In recognition of the impact Eligible Closed Streets have on surrounding streets, an Eligible Affected Street shall be deemed to include: (a) the additional one-block segments of streets that form the border around the city block(s) fronting the Eligible Street on which the closure exists, and (b) an additional one-block segment of street adjacent to either end of the Eligible Closed Street on which the closure exists.

The street or sidewalk closure must occur during the Eligibility Period. Publicly-funded construction projects include all projects supported by Federal, State and/or City funds. A list of Eligible Streets can be found on the LMDC website: [www.renewnyc.com](http://www.renewnyc.com).
E. Eligible Premises

Eligible Premises shall mean business premises (non-residential) located within the Eligible Area on an Eligible Street at which the Eligible Firm operates its business. The Eligible Premises must have been open for business for at least the entire calendar month prior to the temporary street or sidewalk closure along the Eligible Street and still be in business at that location when the grant is paid.

F. Demonstrated Impact

To be eligible for a grant under this program a firm must demonstrate an impact on its business during each period of street or sidewalk closure. Impact may be demonstrated in one of two ways:

EITHER

(i) Through the submission of monthly sales statements, operating statements, profit and loss statements or cash flow statements. Such statements must show the sales or revenue during the Eligible Period as compared to the same period in the year prior. All financial statements submitted with the application must be certified by an officer of the firm. This certification must include the officer’s signature, printed name, official title held at firm, legal name of firm and date.

OR

(ii) By submitting a completed and certified Standardized Financial Statement included with the application.

III. Application Information

A. Application Timing
